

Assisted Living

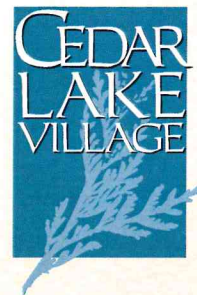

A place where you can be on your own without ever having to be alone.

The help *you* want.

Moving to our assisted living community means more than having a place to live. It means surrounding yourself with people who care. People who want to help you pursue your passions and live a truly fulfilling life.

Our building is staffed 24/7 to handle emergencies, and a compassionate team of caregivers will schedule services to fit your schedule—because “life on your terms” is more than just an expression to us.

Ready for life on your terms?

When it comes to thinking about assisted living, you have plenty of questions. *Will I feel welcome? Will I like the food?* What you need now are answers.

We can help. At Cedar Lake Village, you can enjoy the lifestyle you want to live in an environment that feels right for you. We help you live life on your terms by offering the services and amenities that fit your needs, including:

More than a floor plan.

We want you to be comfortable in your new apartment. Floor plans and layouts matter, but it takes your personal touch—decorations, family photos, your favorite recliner—to make things feel more like home. Because that's what *really* matters.

Along with space for your personal items, our apartments offer:

- Individually controlled heating and air conditioning
- Kitchenette with microwave and fridge
- Personal emergency response system and safety handrails
- Zero-entry shower with fold-down bench
- And more
